RE: Clinical Innovations' Authorized Dealer Change

Dear Materials and Purchasing Managers:

Clinical Innovations, LLC, inventor and manufacturer of the *Koala*®, *Kiwi*®, *ClearView*®, *SoftLift*®, and *AccuCirc* product lines, is pleased to announce that *KOL Bio-Medical Instruments, Inc.* will become our full-line distributor for the entire states of New York and New Jersey, Indiana, Kentucky, and West Virginia as of January 1, 2010. *KOL Bio-Medical Instruments* has been a valued distribution partner of Clinical Innovations for more than 12 years. We are confident that you will be pleased with their professional sales people and customer service.

Beginning January 1, 2010, *KOL Bio-Medical Instruments* will replace Atlantic Medical Systems and will become Clinical Innovations' exclusive dealer in New York and New Jersey, and will also replace Expanding Medical Technologies and become Clinical Innovations' exclusive dealer in Indiana, Kentucky, and West Virginia. *KOL Bio-Medical Instruments* can be contacted at:

KOL Bio-Medical Instruments, Inc.
13901 Willard Road
P.O. Box 220630
Chantilly, Virginia 20153
Phone: (800) 336-5018
Fax: (703) 378-3701

Product numbers affected by this change in distributorship include:

Product Name	Product Numbers
Koala ® Intrauterine Pressure Catheter	IPC-5000E, IPC-5000C
Kiwi ® Vacuum Assisted Delivery System	VAC-6000M, VAC-6000MT, VAC-6000S, VAC-6000C, VAC-7000M, VAC-7000S
ClearView ® Uterine Manipulator	UM201, UM202
SoftLift ® Laparotomy Vacuum Manipulator	LVM-1000
AccuCirc ® Circumcision Device	CIRC-1100, CIRC-1300

As you make this change in your database, you may find that *KOL Bio-Medical Instruments* is already established as a vendor in your system. It is the intention of both Clinical Innovations and *KOL Bio-Medical* to make every reasonable effort to honor your current pricing. *KOL* representatives will contact you during the month of December to confirm that you have all data and price confirmations needed prior to the order conversion date of January 1, 2010.

Clinical Innovations is dedicated to the development and production of innovative products that meet the needs of your clinicians and we are confident that our continued relationship with you through KOL Bio-Medical Instruments will be a rewarding one for all concerned. It is my intention to make this transition as smooth and seamless as possible, so please feel free to contact me with any questions or concerns that you may have.

Sincerely,

Rick Massengale
